

MBC Newsletter

2018 season starts on 14 April and we are hoping for a good weekend weatherwise.

There was a club games get together on 8 April where members played carpet bowls, dominoes and putting. An enjoyable afternoon was enjoyed by everyone and thanks go to Maureen Sturrock and Vi and John Brown for their hard work. Maureen would also like to thank everyone who helped with tidying up the grounds before Opening Day.

The popular Midnight Blue are entertaining us on Saturday 14 April and if you have not got your ticket yet you may be too late. We are hoping that this is a sign of things to come in the future. The visitor's book will be available for signature.

Unfortunately the price of drinks will have to be increased from the beginning of the season because of the costs from the brewers. Also there is a sugar tax on coke and lemonade which has to be implemented. It would seem big brother wants us to drink diet drinks.

Bowls Direct are no longer in Dundee. They have moved to Brechin. They are at 1 High Street and the telephone number is 07985432312. They can make Monifieth B C badges for blazers or shirts at a cost of £5.

The Zumba is still going strong and this month we received £70 from them. They have given us a regular contribution over that past years so keep up the good work ladies.

We/...

We are hoping to use the community bus for Saturday games again this year and we require volunteer drivers who must be under 70 - so volunteers please otherwise we will be paying top dollar for buses.
