We are receiving a lot of requests for the use of the club for various functions. This we hope will be good for the bar,

We have a new green keeper as Mr Crichton has decided to retire. The green has already had a winter cut and is looking good.

Unfortunately a lot of clubs are suffering from low membership and most of the Saturday games are now only four rinks. This has a knock-on affect on our bar takings.

The Crown bar is closed meantime but it is hoped it will be opening up under new membership in February. Their darts team have asked for the use of the club on a Tuesday for one night.

Information regarding Bowls Scotland for 2019 has been received from Bob Christie.

Anyone requiring any information should get in touch with Bob Christie or Julie Gilbert who is Secretary for District 5.
